Park City Tour: Olympic Legacy & Historic Main St.

Discover the spirit of adventure and charm that defines Park City on this immersive half-day tour. We'll explore two of the area's most iconic destinations—Utah Olympic Park and Historic Main Street—giving guests a dynamic mix of high-altitude history, culture, and scenic beauty.

Utah Olympic Park

Step into the legacy of the 2002 Winter Olympics at this world-renowned training venue. Guests will have the chance to explore the interactive Alf Engen Ski Museum and the George S. and Dolores Doré Eccles 2002 Olympic Winter Games Museum, packed with inspiring stories, memorabilia, and Olympic history. We will also experience a behind the scenes tour that will include the Nordic ski jumps and bobsled track.

Historic Main Street – Park City

From Olympic thrills to alpine charm, the tour continues on Park City's iconic Main Street. Lined with colorful 19th-century buildings, this vibrant downtown district is a blend of past and present.
